The Sands

Of Time

The sun is setting on another year as the last grains of sand slip through the hour glass. The Class of '83 will soon be donning their white robes and tasseled hats and everyone else will be known as the rising!! class.

For the Seniors, there are only a few grains of sand left in our hour glass. Graduaion is a reality, not just a dream. We have worked and struggled toward this moment for twelve years. Now, even

our high school years are memories.

For the Juniors, you too, have more sand in the bottom of your hour glass than in the top. However, you have your greatest year ahead of you. You will be at the top — The Senior Class of 1984! Next year, everyone will turn to you for leadership and guidance. You must strive to be the best class that ever graduated from A.L. Brown High School.

The Sophomores' hour glass is only half empty. You have two more great years in high school to enjoy. Each year gets better, so make the most

of them.

to learn and grow.

The Freshman Class may be thinking graduation will never come, but do not panic. Even though your hour glass is still nearly full, "the Sands of Time" will pass quickly. Do not wish it; these may be the best years of your life.

The Albrokan Staff this year has worked hard to put together a book of you because it is for you that this book is published. Not only do we want you to be proud of it now, but later when you pull it off the dusty shelf to sit back and reflect over your life and especially your high school years. This is what Albrokans are for and why we put so much time into it.

A.L. Brown offers many opportunities and I am glad to have had a chance to experience them. I would like to thank the teachers and faculty for dedicating their lives to helping students like me

A special "thank you" goes to Mrs. Solomon. It was her guidance, patience and love that put this book together. And we the staff, would like for her to know that we are grateful for this.

So now here is your Albrokan. Let "the Sands of Time" take you back.

President - Bob Aderhold

Vice President — James Phifer

To the Class of 1983:

I feel very honored to have been chosen President of this Senior class. Since entering Brown together in 1980 as young, inexperienced sophomores, we have seen many changes and witnessed our school population increase with the addition of the Freshmen class. We accepted the change and have tried to make our school more complete with a more united student body. We, as Seniors, will leave a part of ourselves here, carrying with us memories that will linger forever.

To the other Senior class officers, James Phifer, Elizabeth Kluttz, and Gail Hancock I wish to thank them for listening, relating, and understanding me. I thank the Class of 1983 for giving me the best year of my life.

Go for it all '83, for we will be free come June.

God Bless, Bob Aderhold

Miss Brown High

Elizabeth Kluttz

On the morning of September thirty-first, the student body of A.L. Brown was asked to vote on one of eight Senior girls to represent their school for the remainder of the year. The ballots were counted and Elizabeth Kluttz emerged as the new Miss Brown High for the school year 1982-83. Miss Kluttz rode in the Kannapolis Christmas Parade, where she competed against other area schools, and was crowned Miss Merry Christmas. She also represented Brown in the Charlotte Carousel Parade on Thanksgiving Day

During the school year, Elizabeth served as treasurer of the Senior class, sponsor in the marching band, and a varsity basketball cheerleader. She is also an active member of the advisory council lumorettes, Omega Delta Phil Sorority, History Club, and symphonic band

January

Dear Diars

Well, 1983 is here. The year of the super class has only just begun! The year really started off great (except for exams — they sure were hard!). You could really tell when exam time came because the library was full of people doing last minute studying. The two teacher workdays helped everyone recover after exams, and it even snowed on that Finday.

Fo celebrate coming back to school, the student council sponsored an After-exam Jam" on January 24th. It sure was crowded, but everyone had a great time. A.L. Brown students sure can jam!

Thanks to the efforts of Mr. Rivers and Dr. Macon, our school pur chased twelve new computers. Then they made a computer lab in the A-V room of the abrary. Many students have been going in there during funch and after school. Computers really are fund, work with

VALENTINE QUEEN

This year's Valentine Pageant was held on Sunday, February 13, in Brown's auditorium Deanna Cook, Sandra Head, Charlese Klutz, Susan Nunn, and Nikki Springs all competed for queen while underclassmen competed for attendants Juniors were Kendra Argo, Carletta Knox, and Missy Holshouser. Sophomores were Pam Kirkland, Melanie Privette, and Pat Tilley. Freshmen were Ginny Klutz, Donna Johnson, and Dawna Morns. Each contestant was judged on evening gown, and talent competition. Before the pageant, the senior girls had interviews with the judges. Finally, after waiting impatiently the votes were tailied and the new 1983-84 Valentine Queen was Miss Sandra Head. Attending her on her court were Missy Holshouser, Melanie Privette, and Ginny Klutz

A L. Brown is fortunate to have one of the finest Vocational Educational Departments in the state. The programs strive to offer students not just textbook study, but also hands-on training Classes such as Bricklaying, Home Economics, Automotives, Drafting, Health Occupations, Fashion Merchandising Textiles, and Sheet Metal all try to equip students with skills that will prepare them for entering the job market

Industrial Cooperative Training (I.C.T), Marketing and Distributive Edu cation (D.E.), and Cooperative Othicer Occupations (C.O.O.) are an important part of the vocational department at Brown. These programs are structured to work with the student and the employer to provide on-the-job training in addition to schoolwork.

The TMR class at A.L. Brown places special emphasis on survival skills and prevocational skills Some of the students participate in a program called the Cabarrus Workshop that teaches vocational training. The local Y.M.C.A. offers students the opportunity to participate in swimming monthly. The Fellowship of Christian Athletes assist in this program. In addition, the TMR class was exposed to a physical education program initiated by Coach Vicki Wilhelm last year. Two days each week the students enjoy activities such as performing trampoline stunts, practicing on the balance beam, tumbling, playing volleyball, bowling, and dancing

When one thinks of the A L. Brown band, the "Big Green Machine" usually comes to mind, although there is more to being a band student than performing at football games

During November and December the 9th grade band, the Symphonic Band, and both Concert Bands diligently prepare for the annual Christmas concert At this concert, the Seniors are given recognition for their dedication and hard work over the past three years by receiving their letters

After Christmas vacation the grueling process of mastering new music is begun again, in preparation for the spring concert. The students in Symphonic Band put forth an extra effort to get ready to enter competition with other high school bands

The Choral Music Department at A.L. Brown offered students in grades 9-12 vocal instruction in tour seperate choral groups. These were Mass Choir, Men's Chorale, Women's Ensemble, and A Capella

This year emphasis was placed on exposing the students to several different kinds of music, such as madrigal, pop, religious, and contemporary. The Chorus spent much of first semester preparing for their annual Christmas concert. The A Capella also practiced for several extra performances at such functions as Rotary Club and Christmas caroling at Five Oaks Nursing Center. After Christmas the choral groups began to get ready for the many upcoming contests and the spring concert

Jennifer Clawson, Neil Hawkins, and Debi Best. accompained the different choral groups on piano. 127

Presenting the Albrokan Staff of 1983 —

Putting together a yearbook was new for most of us. We learned about layouts, paste-ups, copy sheets, and finals. We really enjoyed working with the Albrokan even though things became panicky around deadline time. However, with everyone working together and with many late afternoon and evening hours the sections came together and this book was created

The 'Big Green Machine

This year the band proudly represented Kannapolis at many tootball games and in various parades. It was a very successful and exciting year for the "Big Green Machine"

The 1982 edition of the "Big Green Machine" under the direction of Charles "Mickey" Driver, had a fantastic year! The co-drum majors, Vic Wallace, and Mary Weatherby, led the two hundred and forty-one members in a spectacular halftime show! The show consisted of "Georgie"; a percussion solo, "Dueling Banjos"; "Take the A Train", which featured the band front; and a closing number, "Still"

Competition included the North Carolina Central Band Festival which was highlighted by a second place finish by the flags and rifles in band front competition, and the band winning the John L. Harris award. The band also went on a weekend trip to East Carolina University. They won first place in the parade competition, third place overall, and a number one superior rating in field competition

Excrette Wallace Mary Weitherpy

The co-drum major led the band and kept everyone in line. The banner girls proudly showed everyone that they were from A.L. Brown High School.

Wonder Football 1982

This year's edition of A.L. Brown football was based on one motive — REVENGE — On August 20, the Wonders traveled to scrimmage Enka and returned with big ambitions for the season

The first game placed the Wonders against defending 4-A state champions South Mecklenburg, who handed the Wonders one of the most humiliating moments the year before, losing 55-21

Wonder Football

After a hard fought half the teams went into the locker rooms fied 0-0. With both teams showing a strong defense the score staved locked until Ken Hill came up with the game winning interception With only nine seconds left, the offense led by Mark Smith scored the game sonly touchdown. Handing the Wonders their first win of the new season

The second game of the year brought the Mustangs of East Rowan to Kannapolis Memorial Stadium. The Wonders proved to be rude hosts as Mark Miller took the opening kick-off 90 yards to put the first score on the board. Before the night was over, nine touchdowns had been scored while the defense complete ly shut down the opposition to give a final score of 58-0

The Wonders next traveled to Monrocligh School to face the Rebels. Due to nother great defensive showing of the crash crew", the Rebels became the first victim of "Shutout City with the nal score of 37-0. This victory gave the fonders a 2-0 record and set up another inference showdown with the Sparins of Sun Valley. The home crowd saw he first score of the season against an inmovable dominating defense. The outtering offense scored twice to primal with a final score of 14-6.

The Wonders ventured to Northwest abarus to try to improve on their previous game. The Trojans were demolished every part of the contest with a final ore of 41-0. Another shutout!

The next contest was against Central abarrus, who oversized many teams in the SPC. The Wonders proved size does not mean everything, showing what unkness can do It turned out to be an elensive night, with four minutes to go and a score of 25-0. Mark Smith was in excepted on the Wonder 28 yard line the fighting defense held until a concoversial "last Second play" allowed the tkings to score, marking the second for the opposition. With another victory he Wonders headed to Lexington to tace very inspired group of Yellow Jackets

With a combination of Wonder mistakes and agressive Yellow Jackets, Lexington took the lead and was never headed by the Wonders. This handed the Wonders their initial loss of the season with a final score of 21.7. This loss put the Wonders through a mental test, their intensity had to be reestablished from the defeat at the hands of the Yellow lackets. The Won ders had to bounce back and get ready for the conference clash against Wades boro Bowman. Bounce back was right! The Wonders exploded for 14 points in the last three quarters while still display ing a stubborn defense finishing with an impressive 40-0 victory

The stage was set at Kannapolis Mc monal Stadium as two 6-0 teams in the conference prepared to square off. After battling for the first half to a 0-0 tie, the Wonders took the second half kick-off deep into Raider territory but was stalled by a stubborn Raider detense. After going back and forth, the big play came when Gerald Reid broke the line to block a punt only to be picked up by Avery Brown who dived across the end zone to score making it 7-0. But South refused to give up coming back with a score of their own making it 7-6. Then Terry Williams exploded on a dive up the middle to

romp 81 vards on to another touchdown Moments later Mark Smith connected with Mack Maxwell for the last touch down of the night giving the Wonders another "Revenge" win, 19-6 but the calebrating did not last long. The Wonders realized that another big clash was ahead in the final game of the regular season against Concord

l'laving in front of an overflow crowd, the Wonders elected to receive the open ing kick-off, which was fumbled in Wonder territory. Countless times the detense was called upon to stop the Spider oftense inside their own twenty yard line vielding a mere 3 points. After receiving the kick-off after a Spider field goal, the Wonders marched down the field cap ped by a 3 yard run by Mark Miller going to the half with a 7-3 lead. Halfway through the third quarter a score by Concord made it a 10-7 ballgame. The Wonders had to reach down inside to be able to come back with the conference title and the BELL! at stake. In the fourth quarter the spark came on a 51 yard dash by Mark Miller that was topped off by a 13 yard run by Mark Smith. This game gave the Wonders not only the conference Championship but also the victory

Wonder Football

This year's '82 layvee football team had a very impressive season losing only their first game to South Mecklenburg, but finished the year by rolling over conference foes to a South Piedmont Conference Title. With the running of Fullback Willie Graham, the young Wonders gained respect from their opponents. These young men should prove to be fine additions to Varsity football squads in future years

WHO SAYS PRIDE DOESN'T COUNT?

That's what some critics say about American workers. They have no pride in their work, in their jobs or in the products they are making.

We don't agree. We know it is not true at Cannon.

Productivity, quality and customer service — the basics for manufacturing and selling consumer goods — continue to improve. . . rapidly.

To encourage and recognize individual employees whose work is consistently outstanding, they are now featured each month on the front page of the company newspaper.

How are they presented? As THE PRIDE OF CANNON, of course. Some of the winners are shown above at their jobs.

This is only one of many innovative ideas of David H. Murdock, the dynamic new owner of Cannon Mills Company. He seeks to make Cannon the most modern, productive and cost-effective textile company in the U.S. He, and the people of Cannon, are working hard together to achieve that goal.

And they are doing it — if you will pardon the expression — with great pride!

Halls and grounds that once knew the tread of our feet and the sound of our voices are now in the memories of other days. We are different in ourselves and this world is ours. Our world is different. We must be the link—between those who have passed before us and those who will find their heritage in us. Our world is ever-changing. Our world is today.
